

## Documentatie tehnica trimmer electric TE250S

| Nr.crt | Denumire produs        | Product name         | Cod comanda |
|--------|------------------------|----------------------|-------------|
| 1      | saiba                  | Flat washer          | pste250s-1  |
| 2      | surub                  | screw                | pste250s-2  |
| 3      | suport superior stator | stator front support | pste250s-3  |
| 4      | stator                 | stator               | pste250s-4  |
| 5      | rezistenta termica     | inductance           | pste250s-5  |
| 6      | rulment                | bearing              | pste250s-6  |
| 7      | rotor                  | rotor                | pste250s-7  |

## Producător motoutilaje

## Documentatie tehnică

|    |                           |                     |             |
|----|---------------------------|---------------------|-------------|
| 8  | rulment                   | bearing             | pste250s-8  |
| 9  | perii                     | carbon brush        | pste250s-9  |
| 10 | surub                     | screw               | pste250s-10 |
| 11 | suport perii              | carbon brush holder | pste250s-11 |
| 12 | suport superior rotor     | Rotor front support | pste250s-12 |
| 13 | teava                     | connecting pipe     | pste250s-13 |
| 14 | carcasa dreapta           | right housing       | pste250s-14 |
| 15 | surub                     | screw               | pste250s-15 |
| 16 | suport stanga             | left assist handle  | pste250s-16 |
| 17 | suport dreapta            | right assist handle | pste250s-17 |
| 18 | surub                     | screw               | pste250s-18 |
| 19 | maner dreapta             | right handle        | pste250s-19 |
| 20 | surub                     | female terminal     | pste250s-20 |
| 21 | tija                      | connecting line A   | pste250s-21 |
| 22 | intrerupator              | micro-switch        | pste250s-22 |
| 23 | capacitor                 | capacitance         | pste250s-23 |
| 24 | arc intrerupator          | switch spring       | pste250s-24 |
| 25 | buton intrerupator        | switch button       | pste250s-25 |
| 26 | blocator cablu            | tension disc        | pste250s-26 |
| 27 | maner stanga              | left handle         | pste250s-27 |
| 28 | cablu alimentare          | power cord          | pste250s-28 |
| 29 | manson cablu              | cable sheath        | pste250s-29 |
| 30 | cablu                     | cable               | pste250s-30 |
| 31 | carcasa stanga            | left housing        | pste250s-31 |
| 32 | aparatoare                | grass guard         | pste250s-32 |
| 33 | cutit limitator sarcina   | small blade         | pste250s-33 |
| 34 | protectie cutit limitator | small blade cover   | pste250s-34 |
| 35 | surub                     | screw               | pste250s-35 |
| 44 | autocut                   | autocut             | pste250s-44 |
